Part 1: The date and time at which you already completed this demo, and briefly describe any challenges that arose during the demo.

Date and time: 12/10/2020 11:15 - 11:25

Challenges: We need to open multiple accounts, web browsers, and software to simulate the user behavior on our product. This is a pain for our old laptop.

Part 2: A link to the GitHub repository where your entire codebase resides. Tag the revisions that were shown in the demo.
